

The background is white with various abstract geometric shapes in blue, pink, and tan. These include circles, semi-circles, triangles, and arcs. Some shapes are solid, while others are composed of multiple colored segments. The shapes are scattered around the central text, creating a playful and modern aesthetic.

The background is white with various abstract geometric shapes in pink, blue, and tan. These include circles, semi-circles, and triangles, some of which are partially cut off by the edges of the frame. A small pink circle is on the left, a blue circle is at the top right, and a tan circle is at the bottom right. The word "Thanks!" is centered in a bold, dark blue font.

Thanks!
